Part one (audio scripts)

Conversation 1 (Lesson 2 P.33)

- This weekend is my birthday. I have invited everyone but Mina.

#Why not? If I were you I would certainly invite her. As far as I know you were close friends at school.

-Yes. But she has moved to another neighborhood. If I had her address, I would invite her.

#What a pity! If I knew that sooner, I could help you.

Conversation 2 (Lesson3 p.90)

-What did you do on Thursday?

#Oh, on Thursday Yeganeh and Kiana came over for dinner. We really missed you.

-Thanks, but you wanted to go to the Museum of Holy Defense, didn't you?

#Oh, Yes. Before we got home, we'd gone to the museum.

Conversation 3

Bahram: I'm very worried about all we hear and read about environmental destruction. It's important, but how can I help?

Sara: You go to work by car, right?

Bahram: Yes.

Sara: It will help if you go to work by bus.

Bahram: How will that help?

Sara: Buses carry lots of passengers. That means you use less gasoline per person, less pollution, less climate change, right?

Bahram: Yes, and I save money as well.

Sara: Right!
